

Where can I find that in the book?

I have something to say...

I agree with ___ because...

I have a question for ___ about ___.

Could you say more about that?

I have something to add to what ___ said.

What do you mean when you say ___?

So what you're saying is...

Couldn't it also be that...?

I think the author is trying to say...

I noticed that...

In my opinion...

I wondered about...

Can you prove that...

Why do you think that?

Another example of that is...

What is the author trying to say here?

Let me see if I understand you. Are you saying that ___?

I disagree with ___ because ___.
